September 2017

Dear Parent/Carer

A Level Geography – Supporting Textbooks

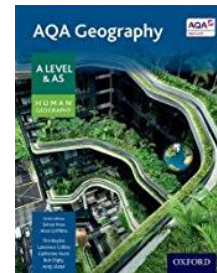

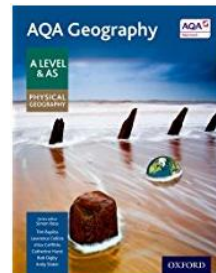

We are delighted that your son/daughter is continuing to study Geography at A level. It is a hugely interesting course that we are sure will challenge and inspire him/her.

To support your son/daughter in his/her studies, we recommend the purchase of the following textbooks. Students will use these throughout the two years to support their studies in both Physical and Human Geography. The books are extremely comprehensive and will allow students to consolidate their knowledge and understanding as we progress through the course, and also to undertake home learning tasks, as directed by their class teachers.

The books are both published by Oxford University Press:

**AQA Geography A Level and AS
Physical Geography Student Book**
(ISBN-13: 978-0198366546)

**AQA Geography A Level and AS
Human Geography Student Book**
(ISBN-13: 978-0198366515)

Currently, the books cost £44 on Amazon. However, we are able to purchase them in bulk at a discounted rate, which means that they will cost **£35.50** in total when bought through the school.

To take advantage of this offer to purchase the supporting textbooks for your son/daughter through the school, please make payment via www.parentpay.com, the school's online cashless payment system, **by Friday, 29 September**, so that we can place an order on their behalf. If your son/daughter is in receipt of Free School Meals or you receive Child Tax Credit, you may be able to apply for reimbursement of the costs through the 16-19 Bursary Fund. For further information, please contact Mrs Gumm, the Business Support Manager.

Yours sincerely

C Stubbs
Subject Leader, Geography
