Dear Parent/Carer

Key Stage 3 : DT Product Design

As you may be aware, your son/daughter is studying a module of Product Design this academic year.

By the end of Year 9, students will have made a range of products, including a mechanical toy and model-making. The products are made using materials and equipment provided by the school. To cover the cost of these resources and associated equipment, we would like to ask for an annual contribution of £10 per student.

Payment should be made via www.parentpay.com, the school's online cashless payment system **by Friday, 29 September**. If you have any problems accessing the service, please contact the Finance Team on 01275 465941. If your son/daughter is in receipt of free school meals and you would like us to pay the contribution from your personal allocation of Pupil Premium funding, please contact the Finance Team. Please complete the tear-off slip below and return it to the Technology department **by Friday, 29 September**.

Yours sincerely
