Dear Parent/Carer

Year 11 GCSE Design and Technology : Product Design

As you are aware, your son/daughter is studying GCSE Design and Technology (AQA examination board). This year will involve the use of wood and other materials for model-making and testing during the designing of their final coursework project.

To help cover the cost of these resources and associated equipment, we would like to ask for an annual contribution of £10 per student.

If the materials used in the making of their final coursework project are supplied by the school, then these materials will also need to be paid for.

Payment should be made via www.parentpay.com, the school's online cashless payment system **by Friday, 29 September**. If you have any problems accessing the service, please contact the Finance Team on 01275 465941. If your son/daughter is in receipt of free school meals and you would like us to pay the contribution from your personal allocation of Pupil Premium funding, please contact the Finance Team. Please complete the tear-off slip below and return it to the DT Product Design department **by Friday, 29 September**.

Yours sincerely

G Brees
Head of Technology
