**Please don't forget we are here to help you**

The school will make every effort to ensure that candidates receive the best possible preparation for their examinations, that the administrative arrangements run smoothly, and the examinations are conducted in a way that will cause as little stress as possible and help students to achieve their best.

# Attendance

Until study leave starts, you are expected to attend lessons as normal.

Once you are on study leave you only have to come to school when you have an exam. However, there will be designated study areas made available for students who prefer to revise at school when they don't have exams. You will be given more information about this nearer the time.

You need to arrive for your exam 15 minutes before the start time shown on your timetable.

# Rooming

We usually use the Sports Hall for most large exams, but we also use the other classrooms in the school – your timetable will tell you where to go. You must check it carefully.

# Seat Numbers and registers

You **MUST** sit at the correct desk. Check your timetable for your seat number before each exam. You can also check the register in the foyer outside the main theatre. The registers are compiled in alphabetical order – find your name and then you will be able to see the start time as well as your room and seat number.

By following the labels across the back of the room (A-Y in the Sports Hall) you should be able to find your seat. Each exam will have a different seating plan so beware. Consult your timetable before every exam so that you can check where you should be. If you are still not sure where you should sit – speak to an invigilator – they will be able to look up your seat number.

# At the start of an examination

Check you have the correct paper in front of you.

You will be told when to complete the details on the front of your exam paper. You must not write anything until you are told to do so by the invigilator. LISTEN carefully to all instructions given at the start of the exam and make sure you know how long you have to complete the paper.

On every paper, you must write:

1. Your surname and forename (this is your legal name not your 'known as' name).
2. Candidate (exam) number. This is on your timetable and will stay the same for all your exams (trial and real, GCSE and A-level).
3. Centre Number - 50601. This is always displayed in the exam room.

Only write in **BLACK** ink or Black ballpoint pen – DO NOT WRITE IN PENCIL – only use pencil for diagrams. You must not use correction fluid or correction pens.

You cannot ask the invigilators questions regarding the content of the exam, but if you think there is something missing from your paper, then put your hand up and ask for guidance.

When your exam has finished and your papers have been collected in, you will be dismissed a row at a time. YOU MUST LEAVE IN SILENCE – other students may still be working in the room or an adjoining room. You are not allowed to take anything from the exam room except your own possessions – it is malpractice to remove exam material.

Once you have been dismissed you go to normal lessons, if you are on study leave you should either go home (you must sign out at reception) or go to the designated study rooms.

**YOU MUST NOT DISTURB THE REST OF THE SCHOOL**

## The right equipment

It is your responsibility to ensure that you have the necessary equipment with you for each examination, eg: black pens x 2, pencils x 2, coloured pencils, eraser, ruler, pencil sharpener, calculator, compass and protractor (if you are unsure, check with your subject teacher) and if in doubt bring it anyway. There is a limited supply of replacements available should yours stop working. Whilst we make every effort to help our students **WE CANNOT GUARANTEE THAT WE WILL PROVIDE EQUIPMENT TO STUDENTS WHO HAVE FORGOTTEN.**

You will need to bring all your equipment to the exam room in a **clear** plastic pencil case or plastic bag.

You must not bring any unauthorised books or paper into the exam room – this is CHEATING and will be reported as malpractice.

During the summer months exams rooms can get very hot and you are advised to bring a drink of water with you – this should be in a **clear** plastic bottle, which has no writing of any sort on it, and which has any labels removed. You may only bring water into the exam - fizzy or fruit drinks are not allowed.

## Your coats, bags and valuables

For all exams, coats, bags and personal belongings must be left in lockers (Y11) or changing rooms (sixth form). These items are not allowed in the exam room.

**Please Note:** Backwell School cannot guarantee the security of your personal property during examinations. Our advice therefore is that all valuables should be left at home. You are advised to make use of a school locker if you have one.

# Mobile phones, watches, MP3 players and any other gadgets .....

The Exam Boards wish to make it clear to all students that taking mobile phones, ipods, watches (of any sort) or any other unauthorised device into an examination is STRICTLY FORBIDDEN.

Please be aware that any infringement of this rule WILL be reported to the relevant Exam Board.

Do not risk it – there are no exceptions. You risk losing all the marks for that paper and potentially for the whole exam.

Did you know ?

The main reason exam boards have been given for mobile phones ringing in exam rooms, was the parent or carer trying to find out if the student had finished their exam. They certainly had by the time the phone call was over!

## Being Silent

Please wait quietly outside the exam room – you will be called in when the room is ready.

**Once you enter the exam room, YOU ARE UNDER EXAM BOARD RULES AND YOU MUST REMAIN SILENT until the examination is over and you are well away from the exam room.** You must not communicate with any other student either by speaking or mouthing to them. Even eye contact or smiling at another student is counted as communicating and would be treated as misconduct – you could be disqualified from all your exams – BEWARE!

You may not pass anything to another student in an examination. If you need to borrow a pen or pencil or have a question – put your hand up and speak to an invigilator – they are there to help you.

# Access Arrangements

Eg Extra Time, Reader, Scribe, Word Processor, etc

Your Individual Candidate Timetable will reflect the presence of an Access Arrangement by indicating any additional time and/or an alternative room. If you have any queries regarding your Access Arrangement or feel that you no longer require an existing Access Arrangement please see a member of the SEND Team immediately.

Please be aware that your Access Arrangement usage will be monitored and may be withdrawn if not used.

## Uniform

### **Year 11**

School Uniform must be worn at ALL times when sitting exams and when you are in school during the study leave period.

### **Year 12 and 13**

All Sixth Form should be aware that 'appropriate' casual clothing should be worn. Hats, scarves and coats are not allowed.

## Travel arrangements

It is your responsibility to ensure you arrive at the examination room at least 15 minutes before the examination is due to start, using the timings on your individual candidate timetable. If your exam is not due to finish until after 3:30pm, you must make your own arrangements to get home. There is a late coach available on Mondays – Thursdays, please book your ticket with Mr Middleton on the day.

## **If you are ill or have transport problems**

If you are ill, or going to be late on the day of your exam, you or your parent/carer should notify the school IMMEDIATELY on 01275 465943.

If you are unable to attend due to illness, you and your parent/carer must complete a Self Certification Form (available from the Exams Office) this form should be completed and returned to the Exams Office as soon as possible. The Self Certification form must give specific information about dates and exact reasons why you could not sit the paper. Without this the Exam Boards will not issue final grades for the missed exam.

If you are late you should contact the exams team straight away, and they will advise you what to do. Where possible we will try to let you have the full time allowance for your paper, however you should be aware that if you are late your exam paper may not be accepted by the Exam Board.

## **Special Consideration**

The school can apply to the Exam Board for Special Consideration in exceptional circumstances ONLY. Feeling unwell or stressed does not qualify for Special Consideration. Serious illness of a student will qualify, as will deaths of immediate family members and major traumas but we will require you to complete a Self Certification Form specifying dates and exact reasons – otherwise we will not be able to submit an application to the Exam Board. Please inform the Exams Office as soon as possible if you have any problems (eg broken arm) where we will need to put arrangements in place for you.

**Remember Special Consideration is only applied for in exceptional circumstances.**

# Frequently Asked Questions.

## **What if the fire alarm goes off?**

If the fire alarm does go off during an exam, you will be told to put your pens down and to sit in silence while awaiting instructions. If the fire alarm is genuine, you will be instructed by the invigilator, and led to the assembly point in an orderly manner and in silence. You must not communicate with the other candidates. If the fire alarm is false, you will remain seated in the exam room in silence. In either situation, the length of time of disruption will be noted and will be added on at the end, and Special Consideration will be applied for all candidates.

## **What if I need to go to the toilet during the exam?**

If you are desperate to go to the toilet during the exam, raise your hand and wait for an invigilator to come to you. He or she will then accompany you to the toilet. **Please remember – going to the toilet not only disturbs other candidates in the room, it also breaks your concentration.**

## **What if I feel ill during the exam?**

If you feel unwell during an exam, raise your hand and wait for an invigilator to come to you. Explain what the problem is and they will deal with it appropriately.

## **What if I have a clash?**

Depending on the total length of the exams, you will take them one after the other in either the morning or afternoon session. Any serious clashes will have been identified by the Exams Office and you will have been informed what arrangements have been made. We can move an exam due to clashes from a morning or afternoon session and very occasionally we can move it to the next day – we CANNOT move it to the previous day.

## **What if I have an appointment the same day as my exam?**

You will need to change your appointment. Exams MUST happen on the date and time specified by the exam board. Going on holiday, or to a wedding or having your hair done for the ball is not a valid excuse!

## For the scribblers

Defacing of exam papers is forbidden and could result in you being disqualified. Graffiti on exam desks is also forbidden. All the desks are scribble free and we would like to keep them that way. If you are found scribbling or scratching on your desk you will be charged with the cost of replacing the desk.

Remember, we have detailed seating plans and we will know who you are!

## Enquiries About Results

If you are concerned about any aspect of your results, please speak to your subject teacher or Head of Department urgently – there are strict deadlines set by the Exam Boards for making enquiries about results - these are not negotiable. If you are not able to find your subject teacher or Head of Department on Results Day, please go to the Exams Office.

You will receive more information regarding Enquiries About Results after the exam season, and detailed information and forms will be available from the Exams Team on Results Day.

## Certificates

Certificates are not issued until mid November. We will contact you then to let you know the arrangements for collecting them.

**Lost Certificates** - Students are warned that replacing lost certificates can be expensive. It currently costs £55.00 to replace one certificate from the exam boards. Please be advised that certificates should be treated with the same level of care as a passport or driving license. You will need to show the original documents as proof of your qualifications to Higher Education providers as well as future employers.

## And finally ...

These exams represent the culmination of several years' of your hard work at Backwell School. Do not behave in any way that might jeopardise your chances or those of other students in the exam room. **Remember – even eye contact can be taken as communication, and will have to be reported as malpractice.**

Exam Board rules are strict and must be followed to the letter – the Exams Officer – Mrs Kearney – has no choice but to report any breaking of rules. Any misbehaviour or infringement of rules **MUST** be reported to the Exam Board and will **ALWAYS** be dealt with very severely.
