

SUMMER 2024: INFORMATION FOR STUDENTS REGARDING ISSUE OF RESULTS for AS, A Level & L3 Vocational Qualifications

We hope you have been successful in your examinations this summer and are pleased with your results. **If any of your grades are missing or you do not understand your results please speak to the Exams Team at once.**

Should you have any concerns or queries regarding your grades there are various post results services available to you which are detailed on the next page.

If your university place is at risk you can apply for the Priority service – this provides a faster turnaround of the review, however, the window for this service is shorter so **please check all deadlines.**

There is a fee for these services, however, all awarding bodies will issue a refund if there is an overall subject grade change.

Reviews of Results may result in grades going down, up, or staying the same and this result is final. You should discuss your grades with the staff available on results day to decide on the appropriate action. **You must give your consent for a review of marking to confirm you understand that your grade might be lowered.**

Steps to take:

- Obtain the correct form from the Exams office (there are different forms for each exam board and you will need a separate form for **each** subject).
- Submit the completed form and make payment via Parent Pay shop – [Parent Pay Shop](#).
- Enquiries About Results will only be submitted to the exam boards once full payment has been received with the completed form by the deadline stated below.
- You and your parent/carer must sign the consent on the form
- Exam boards **do not allow late applications** so deadlines must be adhered to.
- You will be contacted as soon as an enquiry about result has arrived back in school. Contact will be via your school email. It is your responsibility to check regularly for outcome updates.
